Never Gonna Let Me Go

Tauren Wells

All my life I've had questions
Who what when where why?
Wasting time looking for answers going out my mind
I wanted to see behind the scenes but now I'm letting go cause the safest place that I can be is in your great unknown!
I'm ready to chase impossible
I'm walking away from what I know
In everything, I know you're never gonna let me go!
I'm tearing apart my master plans
