

# Woman Goin' Crazy On Caroline Street

Jimmy Buffett

There's a woman goin' crazy on Caroline Street  
Stoppin' every man that she does meet  
Sayin' if you'll be gentle if you'll be sweet  
I'll show you my place on Caroline Street  
She claimed in a loud voice to be a dancer  
But I don't think she's cut a rug in years  
Listens to the jukebox for her answers  
Slowly guzzles twenty-five cent beers  
Talks about the men she's known and then some  
She's seen them in her dreams and on the street  
She slides her dapper legs from beneath the table  
As if to reveal some kind of treat  
Talks about the men she's known and then some  
She's seen them in her dreams and on the street  
She slides her dapper legs from beneath the table  
As if to reveal some kind of treat  
Her lover left her stranded in Jamaica  
Just right now she can't recall his name  
Perceiving she's the center of attention  
And all the lurking eyes they look the same  
Weather's got the shrimpers in a frenzy  
They're horny and don't need a good excuse  
  
Someone yells and things just start erupting  
And in a flash all hell has broken loose  
There's a woman goin' crazy on Caroline Street  
Stoppin' every man that she does meet  
Sayin' if you'll be gentle if you'll be sweet  
I'll show you my place on Caroline Street  
When I woke up and looked around the barroom  
She was gone and I was black and blue  
So be careful when you go to swing your partner  
Someone just might take a swing at you  
There's a woman goin' crazy on Caroline Street  
Stoppin' every man that she does meet  
Sayin' if you'll be gentle if you'll be sweet  
I'll show you my place on Caroline Street  
There's a woman goin' crazy on Caroline Street  
Stoppin' every man that she does meet

Sayin' if you'll be gentle if you'll be sweet  
I'll show you my place on Caroline Street  
There's a woman goin' crazy on Caroline Street  
Stoppin' every man that she does meet
