

# Share Your Love With Me

## Van Morrison

It's an evil wind  
That blows no good air  
It's a sad heart  
That won't love like I know it should  
Oh how lonesome (oh how lonesome)  
You must be  
(You must be)  
It's a shame (shame)  
You don't share your love with me It's a heartache yeah  
(It's a heartache)  
When love is gone  
(It's a heartache)  
But it's bad  
(Bad) and even sad (sad)  
All day long And it's no wonder  
When you won't see me  
It's a shame  
(Shame)  
If you won't share  
Some of your love with me I can't help it oh no  
If he's gone  
I must try to forget  
Because I got to live on  
Ooh  
Have me some good thing  
It's a sweet thing  
(It's a sweet thing)  
But you love someone else  
(Such a sweet thing) But It's bad (bad)  
And even sadder (sad)  
When it's not the time And ooh  
How lonesome, how lonesome  
How lonesome baby  
(Lonesome)  
You must be  
(You must be) I tell ya it would be a sad (sad)  
Shame (shame)  
If you don't share  
Your love with me

(Share your love with me)It would really be a mistake baby

(If you say it)

If you don't share

Your love with me

(Share your love with me)It would sure be a shame

(Shame shame)

If you don't share

Share your love with me

Share your love with me

Come on baby
