

Show Me Love (Namatria & Johny Saver Remix)

[Robin S](#)

A, yeah yeah
You've got to show me love Heart breaks and promises
I've had more than my share
I'm tired of giving my love
And gettin' nowhere (nowhere) What I need is somebody
Who really cares
I really need a lover
A lover that wants to be there It's been so long since I've touched a wanting hand
I can't put my love on the line
This I hope you'll understand So baby if u want me
You've got to show me love
Words aren't so easy to say oh I
You've got to show me love I'm tired of getting caught up
In those one night affairs
What I really need is somebody
Who will always be there Don't you promise me the world
All that I've already heard
This time around for me baby
Actions speak louder than words If you're looking for devotion
Talk to me
Come with your heart in your hands
Because my love is guaranteed So baby if you want me
You've got to show me love
Words aren't so easy to say oh I
You've got to show me love Show me show me baby
You've got to give it to me give it to me give it to me yeah
I don't want no fakes don't want no foney
I need your love
Show me show me show me baby
Give it to me give it to me
I am not a toy I'm not a play thing
You've got to understand If you're looking for devotion
Talk to me
Come with your heart in your hands
Because my love is guaranteed
Yeah yeah yeah yeah yeah
