Love Dream

Bobby Valentino

Never have I wanted someone like this before
Now we are all alone, let me explain it more
A little romance girl is all that's on my mind
Tonight we could fly so high, I'll do all the things you like(If it's all right, can I)
Come lay next to you girl
(If it's okay, can I play)
And climb into your world
(I know it's late but I can't wait)
I need to feel you now
This is my love dream, dreamTime after time girl these thoughts race through my mind
When I'm asleep girl, I dream your body's next to mine
I wanna wake up to your smile and look into your pretty eyes
I'm glad you fell off that cloud and now you're here with me
Now my angel(If it's all right, can I)
Come lay next to you girl
(If it's okay, can I play)
And climb into your world, your world
(I know it's late but I can't wait)
I need to feel you now
This is my love dream(If it's all right, can I)
Come lay next to you girl, you girl
(If it's okay, can I play)
And climb into your world
(I know it's late but I can't wait)
I need to feel you now, baby
This is my love dreamIf it's alright, can I, if it's okay, can I play
If it's alright, can I, if it's okay, can I play
I know it's late but I can't wait, if it's okay, can I play
This is my love dream(If it's all right, can I)
Come lay next to you girl
(If it's okay, can I play)
And climb into your world, your world
(I know it's late but I can't wait)
I need to feel you now
This is my love dreamIf it's alright, can I
(I just wanna need you baby)
If it's okay, can I play
I know it's late but I can't wait
(Can't wait)

This is my love dreamGirl anything, any complication
Everybody, I just wanna let you know
I've been dreamin' about this girl that's with me
Oh baby, oh baby, can't feel me
