Revenge (SonyConnect.com)

Plain White T's

By now you should know
Everything you say
Can and will be used
Against you someday
I've got the microphone
So don't go too far
'Cause I'm gonna tell the whole world
How you really are
I don't really care
How you're gonna feel
'Cause I've already tried
To give you something realOne night you're begging me to stay
The next night, you push me away
I don't need you promising to give it up
It's too late, 'cause now I'm giving up
Revenge, revenge, got my revenge,
Go ahead and get mad
Never talk to me again
I don't even care 'cause
I got my revenge
Revenge, revenge, got my revengeBy now you should know
Everything you say
Can and will be used
Against you someday
I've got the microphone
So don't go too far
'Cause I'm gonna tell the whole world
How you really are
So go ahead and get mad
Never talk to me again
I don't even care 'cause
I got my revenge,
Revenge, revenge, got my revenge,
Revenge, revenge, got my revenge,
Revenge, revenge
