

1973 (Live from Max Sessions, Sydney)

James Blunt

Simona
You're getting older
Your journey's been etched
On your skinSimona
Wish I had known that
What seemed so strong
Has been and goneI would call you up everyday Saturday night
And we'd both stay out until the morning light
And we sang, here we go again
And though time goes by
I will always be
In a club with you
In 1973
Singing, here we go againSimona
Wish I was sober
So I could see clearly now
The rain has goneSimona
I guess it's over
My memory plays our tune
The same old songI would call you up everyday Saturday night
And we'd both stay out until the morning light
And we sang, here we go again
And though time goes by
I will always be
In a club with you
In 1973
Singing, Here we go againI would call you up everyday Saturday night
And we'd both stay out until the morning light
And we sang, here we go again
And though time goes by
I will always be
In a club with you
In 1973
Singing, here we go againAnd though time goes by
I will always be
In a club with you
In 1973
