

# Missionary

## Kid Canaveral

If you come knocking on my door  
I'll make sure that I'm not there  
It's no fun being alone but don't you phone  
I'm running

'Cause i know and I'll always remember  
what you said

Got woken by a missionary  
Who'd come to deliver a message of peace  
I told her peace was what I had  
Until I was woken by a missionary

But if you go  
I promise i will remember what you said
