Passion In Your Eyes
written by Roosevelt Martin for Adcona Publishing (ASCAP)

VERSE I

Here comes that feeling again
building up deep within
and the feeling intensifies whe Im with you

Now I thought I was over this
until I had a taste of your kiss
and now my day is not complete without you

BRIDGE

The romantic side of me, once again wants to be free
to cherrish you at every waking moment
and care for you always

HOOK

If you give in to this feeling
theres a pretty good chance that you'll fall in love with me
wouldnt that be nice

Suppose you give in to this feeling
so I can show you just how real love should be
I see passion in your eyes (3x)

VERSE II

Now I use to have it in control
but now my hearts' on overload
So would you mind if I planned a candle light evening for two
me and you

And if you would dare
can I run my fingers through your hair
cause theres a pretty good chance that I'll get into you

BRIDGE

I dont want to cause any confusion
I know exactly what I am doing
and its my intension to take your

breath away

REPEAT HOOK (2X)
