

New Shirt

Hot Tuna

I got a new shirt
For school yesterday
And my mom said
I looked real handsome in it I got a new shirt
I got a new shirt
Cuz I thought
You might like me in it I got a new shirt
I got a new shirt
Cuz I thought
You might like me in it I got a new shirt
I got a new shirt
Cuz I thought
Maybe you might wear my ring
If I wore that stripped short sleeve shirt
