

He's Able

Richard Smallwood

Don't you know
Don't you know it
Don't you know
Don't you know that He's able

Able

So glad

He's able

Able

O, Able

So glad

He's able

LEAD:

When doubts and fears
Keep messing with your mind

Hold on

(Hold on)

And, peace you just can't seem to find

Keep on holding on

(Hold on 'til tomorrow, well)

Jesus is standing right there

Waiting just to hear your prayerAble

Able

So glad

He's able

O, Able

So glad

He's able

No matter how hard

Surely, He's able

He standing there

Waiting to help you

Don't need to worry

His love is good enough

He never fails

Surely

Surely

Surely

Surely
