Overruled

Cozi Zuehlsdorff

Hello...Iâ€™d like to report...A stolen heart
I tried to tell him I could never fall in love
Name...donâ€™t know his name...Height -A little taller than me
Eyes â€“The truest blue Iâ€™ve ever seen

Convicted in the first degree
I feel the law of love like gravity

Iâ€™ve been - Raising my objection to anyoneâ€™s affection that gets a little close to me
The juryâ€™s still out with a reasonable doubt but Iâ€™m starting to believe
I feel a little shy, waive my right to be silent, cuz in love I am guilty
My mind makes one more plea.....
Objection overruled by meâ€“ e--e-- (4x)

Breathe...And take the stand...I must confess
I could either lie or take a chance
Cuz truth...Is my appeal...I know the evidence is real
The verdict is in and Iâ€™m in love

My limitations have run out
Time to let my defenses downâ€¦

Iâ€™ve been - Raising my objection to anyoneâ€™s affection that gets a little close to me
The juryâ€™s still out with a reasonable doubt but Iâ€™m starting to believe
I feel a little shy, waive my right to be silent, cuz in love I am guilty
My mind makes one more plea.....
Objection overruled by meâ€“ e--e-- (4x)

Whatâ€™s your intent? Are you a repeat offender
Are you gonna let yourself be put away forever
I need to know if itâ€™s for life (4xs)

Iâ€™ve been - Raising my objection to anyoneâ€™s affection that gets a little close to me
The juryâ€™s still out with a reasonable doubt but Iâ€™m starting to believe
I feel a little shy, waive my right to be silent, cuz in love I am guilty
My mind makes one more plea.....
Objection overruled by meâ€“ e--e-- (4x)
Objection overruled by me
