

Misbehaving

Labrinth

Ladies and Gentle'
Ladies and Gentle'
Ladies and Gentle'
Ladies and Gentle'
Ladies and Gentle'
Ladies and Gentle'
Ladies and Gentle'
Ladies and Gentle'Fuck it
Hey bring the drink
Come bring the stone
Hey bring the rock
Come bring the roll
Forever young let the good times roll
Forever young and it don't get old
Misbehavin'
Misbehavin'You got the skins I'll bring the smoke
I'll bring the gym she could lose those clothes
Forgive my sins I'm a saint God knows
'Bout to throw some hail mary's on them sweet back doorsMisbehavin'
Misbehavin'Ladies and Gentle'
Ladies and Gentle'
Ladies and Gentle'
Ladies and Gentle'Don't tell me yes, don't tell me no
I had enough when I say so
They say this chaos within control
But I like potassium with my H2O
Misbehavin'
Yea
Misbehavin'
Oh noI'm buzzin', I'm buzzin'
Bartender keep the tap running
Don't know what I'm talking 'bout
This is what we call
Misbehavin'Girl

Whoa
Misbehavin'

Misbehavin'Ladies and Gentlemen

The moment you've all been waiting for I love it when it goes my way, my way

Hey now, I love it when it goes my way, my way

Hey now, I love it when it goes my way, my way, mmm

I love it when it goes my way, my way

Hey now, I love it when it goes my way, my way, oo

I love it when it goes my way, my way

Oh yea, I love it when it goes my way, my way

I just don't do it if it ain't my way, yea

I love it when it goes my way, my way Ladies and Gentlemen

I hope you've been entertained, ooo Misbehavin'
