Wandering Eye

Fat Freddy's Drop

When I wanna see right through you
Flyin', highin', Freddy voodoo
lucid dreaming, magic wonder
can you see this, spell I'm under?
make you wander with that rhythm
feel it moving, through your system
step on, steppers, step up to it
all you got to, do is, do it

do it yeah, yeah
we come to do it yeah, yeah (x3)

I got the wandering eye
Mmm
I got the wandering eye
Mmm Hmm
I got the wandering eye
Mmm
I got the wandering eye
oh you know I got it, oh you know

Spots on, it's a crazy scene
everybody gets a picture in my magazine
just like a...paparazzi
you won't even ask me, no no
well all you got to do is
just short people look up high
can't help but spy from my wandering eye
something beginning with the capital cool
capital you, if you could only check my view

we come to do it yeah, yeah (x5)

I got the wandering eye
Mmm
I got the wandering eye
Mmm Hmm
I got the wandering eye
Mmm

I got the wandering eye

oh you know I got it, oh you know

Feels like I can't sit still
when I got it, when I got it
all around, hours they keep on searching
oh I got it
yes I got it

when will this cease?
ever gonna end?
Lost my family, I lost my friends
faces familiar, far from the same
come a little closer, let me know your name
Ooh step into the light, sweet one
so I can see who you are
cross your name in the moonlight, yeah
cross your name in the streetlight, yeah-eah
you know, you know, you're looking so good
you're looking so fine, yeah
I can tell by the way that you're looking up high
sweet one (x4)
I can tell by the way (x3)

i got to look up (high)
i got to look up (high)
i got to look up (high)
i got to look up (high, yeah)

i got to look up (high)
i got to look up (high)
i got to look up (high)
i got to look up (high, yeah)

i got to look up (high)
i got to look up (high)
i got to look up (high)
i got to look up (high, yeah)
(high)
(high)
(high)
(high, yeah)

high
high

high
high, yeah

high
high
high
high, yeah

high
high
high
high, yeah

high
high
high
high, yeah
