Awkward (EP Version)

San Cisco

Why do stars fall at night?
Well are you here?I got your message last night, you didn't get mine 'cause you've been calling me for days.Why do you hold on so tight?
What do you fear?I got your message last night, you didn't get mine 'cause you've been calling me for days.Da da da da da da da da
Da da da da da da da da da da da (x3)I wouldn't have gone to dinner, if I knew that you'd agree with everything I say.I left a message last night, you haven't called back I've been calling you for days.I had my keys at the gate, my mind was made up to make a quick escape.I left a message last night, you haven't called back I've been calling you for days.Do do do do do do do do
Do do do do do do do do do do do (x2)I saw you at dinner last night, you were holding his hand I've been watching you for days.I thought I saw you last night, get out of my life you've been stalking me for days.Da da da da da da da da
Da da da da da da da da da da da (x4)
