When I Touch You

Spirit

Often in my dreams
I see the strangest things
I see the mountains rise
I see them touch the sky'sBut when I'm near to you
I feel the same way too
I feel the mountains rise
I feel them touch the sky'sI, I won't see you any more
I, I won't see you any
I will not see you any
More, more, moreAnd when I touch you
I feel the same way too
I feel the mountains rise
I feel them touch the sky'sYour love holds all these keys
Why can't I be free?
From thoughts of bitter rage
White lions in their cageI, I won't see you any more
I, I won't see you any
I will not see you any
More, more, moreWhen I touch you
When I touch you
