Fool to Think

Dave Matthews Band

Look at me dreaming of you
All I could hope is to have you
To have you walking with me
Laughing so in love, we two
Almost drunkenly

Annost urunkenry

I did imbibe of this

Fantasy of you and meWas I a fool to think?

The way you looked at me

I swear you did

But you looked away too quick

Was I a fool, was I a fool to think

That you would take me home

As if I was yours?

Was I fool to think it all? I've grown tired of love

You are the trouble with me

I watch you walk right by

I smile, you do not notice me

Treat me recklessly

All you do is toss me pennies out

But the silence in me is screaming

Won't you come and get me? Was I a fool to think?

The way you looked at me

I swear you did

But you looked away too quick

Was I a fool, was I a fool to think

That you would take me home

As if I was yours?

Was I a fool to think at all? Was I a fool to think?

The way you looked at me

I swear you did

But you looked away too quick

Was I a fool, was I a fool to think

That you would take me home

As if I was yours?

Was I a fool to think at all? You make a mess of me here

I've dance a thousand steps for you

If you say yes to me

I'll be whatever gets you throughYou make a mess of me here

(Was I a fool?)

I've dance a thousand steps for you
(Was I a fool?)
Was I a fool, was I a fool to think?
Am I a fool, am I a fool for you?
