

AprÃ's Moi

Regina Spektor

I (uh) must go on standing
You can't break that which isn't yours
I (uh) must go on standing
I'm not my own, it's not my choice

Be afraid of the lame, they'll inherit your legs
Be afraid of the old, they'll inherit your souls
Be afraid of the cold, they'll inherit your blood
Après moi le deluge, after me comes the flood

I (uh) must go on standing
You can't break that which isn't yours
I (uh) must go on standing
I'm not my own, it's not my choice

Be afraid of the lame, they'll inherit your legs
Be afraid of the old, they'll inherit your souls
Be afraid of the cold, they'll inherit your blood
Après moi le deluge, after me comes the flood
Après moi le deluge, after me comes the flood

Fevrale dostat chernil I plakat
Pisat O Fevrale navsnryd
Poka grohochushaya slyakot
Vesnoyu charnoyu gorit
Vesnoyu charnoyu gorit

Be afraid of the lame, they'll inherit your legs
Be afraid of the old, they'll inherit your souls
Be afraid of the cold, they'll inherit your blood
Après moi le deluge, after me comes the flood

I (uh) must go on standing
You can't break that which isn't yours
I (are) must go on standing
I'm not my own, it's not my choice

I (uh) must go on stan-stan-ding-dong
You can't, can't break that, that
Which isn't, isn't yours, yours

Which isn't, isn't yours, yours
I'm not, not my own, own
It's not, not my choice, choice
