

Favorite Son (Hell on Wheels Edit Version)

Deliverance Sisters

Favorite Son by Deliverance Sisters (Hell on Wheels)

I was a boy who worshiped his mother
I was the faithful and dutiful son
Forever drawn to the lure of a beautiful woman
I'm a disciple of passion like anyone
I lit the candles of white in the chapel
Sang in the choir on Sunday
but what heart understands
judges the soul of a man
One day I'll ride to the glorious place in the heavens
Narrows the way for a mothers favorite son
