

You Do Something to Me

[Ella Fitzgerald](#)

You do something to me
Something that simply mystifies me
Tell me, why should it be
You have the power to hypnotize me? Let me live 'neath your spell
Do, do that voodoo that you do so well
For you do something to me
That nobody else could do Let me live 'neath your spell
Do, do that voodoo that you do so well
For you do something to me
That nobody else could do That nobody else could do
