

Blue Skies

Noah & The Whale

This is a song for anyone with a broken heart
This is a song for anyone who can't get out of bed
I'll do anything to be happy
Oh, 'cause blue skies are calling but I know that it's hard
This is the last song that I write while still in love with
you
This is the last song that I write while you're even on my mind
'Cause it's time to leave those feelings behind
Oh, 'cause blue skies are calling but I know that it's hard
I don't think that it's the end but I know we can't keep
going
I don't think that it's the end but I know we can't keep going
But blue skies are calling, oh yeah, blue skies are calling
Oh, blue skies are calling but I know that it's hard
