Pants on the Ground

[General Larry Platt](#)

Pants on the ground

Pants on the ground

Lookin' like a fool with your pants on the groundWith the gold in your mouth

Hat turned sideways

Pants hit the ground

Call yourself a cool cat

Lookin' like a fool

Walkin' downtown with your pants on the groundGet it up, hey!

Get your pants off the ground

Lookin' like a fool

Walkin' talkin' with your pants on the ground.

Get it up, hey!

Get your pants off the ground

Lookin' like a fool with your pants on the ground
