Wonderful You

The Dandy Warhols

When I come home a little late at night
And I crawl into my bed
I think of you and where you are tonight
And I wish you were here instead
I really want you to know
That I'm the one, I'm never lettin' go
I swear I'll do the best I can to be
Your one and only man 'cause
You light up my night and day
You bring on the sunshine
You make me feel good today
Yeah you, wonderful you
When times are hard and nothing goes my way
And I wonder what to do
I think of you and all the things you say
You're the one that pulls me through
I really want you to know
That I'm the one, I'm never lettin' go
I swear I'll do the best I can to be
Your true and only man 'cause
You light up my night and day
You bring on the sunshine
You make me feel good today
Yeah you, wonderful you
