Walk Away

Aloha From Hell

I can't undo what I have done
I cannot say what I have said
Can't take it back, it's a little late now
I didn't mean to hurt you, baby, in any wayAll I wanna do is walk away 'cause I don't wanna lie to you
Something in your eyes say, "Please don't go"
But I just wanna walk away 'cause if I stay I'm gonna end up hurting you
And I don't wanna break your heart, babyIt doesn't matter what I'll say
It doesn't matter what I'll do
Can't make it right even though I want toI'm not gonna say that were okay, I don't wanna lie
I should have told you long ago what was going on
I should have told you my feelings were not that strongAll I wanna do is walk away 'cause I don't wanna lie to you
Something in your eyes say, "Please don't go"
But I just wanna walk away 'cause if I stay I'm gonna end up hurting you
And I don't wanna break your heart, babyI lived through life, it wasn't fair
I'll say goodbye because I, because I care
I wish I knew what I'm supposed to do
I wish that I could be there for you to ease the painAll I wanna do is walk away 'cause I don't wanna lie to you
Something in your eyes say, "Please don't go"
But I just wanna walk awayAll I wanna do is walk away 'cause I don't wanna lie to you
Something in your eyes say, "Please don't go"
But I just wanna walk away 'cause if I stay I'm gonna end up hurting you
And I don't wanna break your heart, baby
I don't wanna break your heart
