My Man Music

Stooshe

Step left, step right, pull your knees tight Do the butterfly, to the side, to the side Now slide yeah, that's right yeah Then we're gonna bring it back to the old school vibe Come come with the rhythm, come with the bass Turn to a hottie and go whine up your waist Whine up your waist, whine up your waist Whine up, whine up your waistYeah you got me Put on my face and pump my stereo You can't stop, stop, stop me (nah) A melody fillin' up my radio Now I'm thinkin' ooh what do I fancy? Hip-hop, electro I could be a dub-step raver, dancin' all night I still love classical Yeah We walk that talk with stooshe lines Flicks my switches all the time Got me spinnin' like an old school '45 He's my A-list ev'ry night Then he'll make you, shake you, break the mould Right down to my neo soul Music is my baby

He's gonna play meStep left, step right, pull your knees tight

Do the butterfly, to the side, to the side

Now slide yeah, that's right yeah

Then we're gonna bring it back to the old school vibe

Come come with the rhythm, come with the bass

Turn to a hottie and go whine up your waist

Whine up your waist, whine up your waist

Whine up, whine up, whine up your waistI say we give you a lickle trouble, yeah we give you a little taste Stooshe 'pon that bit, it make you whine up your waist

Mamma make me move, my mom make me do

All the tings that a man can't do

Give you a little trouble, give you a little taste

Stooshe 'pon that diity make you whine up your waist

Mamma make me move, my mom make me do

All the tings that a man can't do That a man can't do

That a man can't do

That a man can't do

That a man can't do
That a man can't do
That a man can't do
That a man can't do
Break it down
