Whoa

We The Kings

Sleep well, tucked tight
Make sure you hide the night
This was for the best
Stay out of sight
Fled the scene of the crime
To avoid arrest
We will brawl for the cause
That's all we've got
No matter the cost, we're singing
Whoa oh, whoa oh
Whoa oh, whoa oh
Whoa oh, whoa oh
Oh, no, no
Beggars and thieves
Is what we had to be
Uninvited guests
Shake this disease
They'll quarantine this street
But color me impressed
We will brawl for the cause
That's all we got

No matter the cost, we're singing
Whoa oh, whoa oh
Whoa oh, whoa oh
Whoa oh, whoa oh
Oh, no, no
Whoa oh, whoa oh
Whoa oh, whoa oh
Whoa oh, whoa oh
Oh, no, no
I know we won't get caught
But if we do, we'll say we never knew
This is our chance to lose it
Whoa oh, whoa oh
Whoa oh, whoa oh
Whoa oh, whoa oh
Oh, no
Whoa oh, whoa oh

Whoa oh, whoa oh
Whoa oh, whoa oh
No
