Too Little Too Late

PINS

You look so good at first when I didn't know your name
But to took me by surprise you made me feel so strangeYour voice is just a noice and it's playing in reverse
And every single word you say only makes it worse
And I know you said sorry a thousand times but my heart it still aches
And I know I said you're my best friend but it's too little too late
And I know you said sorry a thousand times but my heart it still aches
And I know I said you're my best friend but it's too little too lateI forgot to say Happy Birthday
I hope I didn't spoil your party
I forgot to say Happy Birthday
I hope I didn't spoil your party
Yeah you said you're sorry but I heard it all before
Yeah you said you're sorry but are you sure
