

# Couldn't Sleep

Milosh

I didn't sleep all night  
I didn't sleep all night  
I didn't sleep all night  
I didn't sleep all nightMade a phone call last night  
I've been thinking about it all day  
I made you cry last night  
But it's okay 'cause I heard you say I love youI floated in those words  
I floated in those wordsI don't even know why I feel what I feel  
I don't even know why I think what I think  
I don't even know why I do what I do  
I don't even know why I say what I sayYou're making me, you're making me nervous  
It will all fall apart  
But it's okay, it's okay  
It won't fall apart
