

# Meeting Paris Hilton

CSS

I, I went to the beach  
The bitch was so hot  
She came to me and said  
Do you like the beach, bitch? I said back  
I wanna take you home, bitch  
'Cos I wanna treat you good, bitch  
What do you think of it, bitch? The bitch said, yeah  
The bitch said, yeah  
The bitch said, yeah  
Yeah, yeah, yeah, yeah The bitch said, yeah  
The bitch said, yeah  
The bitch said, oh, yeah  
Hell, yeah, damn, yeah I wanna be  
Your summer Hilton time  
With five diamonds stars  
Like your dad's biggest car I wanna go  
To the Hiltons all over the world  
And I, I wanna be  
Just like you, bitch The bitch said, yeah  
The bitch said, yeah  
The bitch said, yeah  
Yeah, yeah, yeah, yeah The bitch said, yeah  
The bitch said, yeah  
The bitch said, oh, yeah  
Hell, yeah, damn, yeah I, I went to the beach  
The bitch was so hot  
She came to me and said  
Do you like the beach, bitch? Do you like the beach, bitch?  
Do you like the beach, bitch?
