

# Sixteen Tracks

## Nitty Gritty Dirt Band

Sixteen tracks, rollin' on that reel

Sixteen tracks, rollin' on that reel

Well, if you don't buy this record, don't know no one who will. Well, I sing this song just like old Elvis do

Well, we sing this song just like old Elvis do

Well, we're not on Sun but we are funky too. Oh, get it, son! Well, we came to Nashville to get that Memphis sound

Well, we came to Nashville, we got that Memphis sound

Well, what happened to our heads, they got all turned around. Sixteen tracks, they're rollin' on that reel, ooo

Sixteen tracks, they're rollin' on that reel

If no one buys our record, don't know no one who will. [ ... ]

Came to Memphis to get that Nashville sound, oh, I must've turned that around

Well, we came to Nashville to get that Memphis sound

Well, what happened to our heads, they got all turned around.
