

Count On Me

Bruno Mars

If you ever find yourself stuck in the middle of the sea
I'll sail the world to find you
If you ever find yourself lost in the dark and you can't see
I'll be the light to guide you
Find out what we're made of
When we are called to help our friends in need
You can count on me like one, two, three, I'll be there
And I know when I'm need it
I can count on you like four, three, two, and you'll be there
'Cause that's what friends are supposed to do, oh yeah
wooooooh woooooooooooh yeah ,yeah
If you tossin' and you turnin' and you just can't fall asleep
I'll sing a song beside you
And if you ever forget how much you really mean to me
Everyday I will remind you

Find out what we're made of
When we are called to help our friends in need
You can count on me like one, two, three, I'll be there
And I know when I'm need it
I can count on you like four, three, two, and you'll be there
'Cause that's what friends are supposed to do
You'll always have my shoulder when you cry
I'll never let go, never say goodbye
You know you can count on me like one, two, three, I'll be there
And I know when I'm need it
I can count on you like four, three, two, and you'll be there
'Cause that's what friends are supposed to do
You can count on me 'cause I can count on you
