

Friends w-ith You

John Denver

What a friend we have in time
Gives us children, makes us wine
Tells us what to take or leave behind
And the gifts of growing old
Are the stories to be told
Of the feelings more precious than gold
Friends, I will remember you
Think of you, pray for you
And when another day is through
I'll still be friends with you
Baby's days are never long
Mother's laugh is baby's song
Gives us all the hope to carry on
Friends, I will remember you
Think of you, pray for you
And when another day is through
I'll still be friends with you
Friends, I will remember you
Think of you, pray for you
And when another day is through
I'll still be friends with you
My friends, I will remember you
Think of you, pray for you
And when another day is through
I'll still be friends with you
