

# Love I've Found In You

## Lady Antebellum

Well I bet my buddies are out on the town tonight  
Dancing in the smoke, in the glow of the neon lights  
I'm sure they're out there cutting up and drinking  
But I don't mind 'cause I got you by my side

With my old sweat shirt and your favorite pair of jeans  
Barefoot on the couch, curled up next to me  
Oh, I got everything I've ever needed  
In you, I found it in you

Well maybe I'm just lucky  
But maybe that's okay  
Some people search the whole world over  
Just to find a love, that's even half as true  
As the love I've found in you  
Ooo ooo, ooo ooo, ooo ooo

Well I wonder where I'd be if the Lord hadn't heard my prayer  
The one I said every night 'til the day that you got here  
You showed me how to live and love forever  
With you, oh baby I love you

Well maybe I'm just lucky  
But maybe that's okay  
Some people search the whole world over  
Just to find a love, that's even half as true  
As the love I've found in you  
Ooo ooo, ooo ooo, ooo ooo

Some things really last forever  
Some things are meant to be  
Like you and me  
Ooh yeah

Let your love shine on  
Shine on and on and on  
Ooh, oh yeah

Well maybe we're just lucky  
But maybe that's okay

Some people search the whole world over  
Just to find a love, that's even half as true  
As this love I've found in you  
Ooo ooo, ooo ooo, ooo ooo

I've found in you  
I've found in you
