## Wyclef Jean

Hey, this is Steve Harvey  
And I want to thank this brother  
For inviting me to be a part of this project  
Preacher's Son, Vol.1 And it is music the way I love music  
It is soothing, it is grooving  
It is the truth, it's old, it's new  
It's for everybody Kinda reminds me of when you  
And your mamma used to sit around  
And listen to the same songs  
This is one of the cool soldiers of hip-hop  
My man, Wyclef Jean, do your thang
