Pain (Live Version)

Reamonn

All these words rushing round inside my head
All these thoughts we held so close and still we never saidAll these dreams I can't believe, I would do for you
Holding on is there anything left to looseSomething beautiful about you, just can't explain
Found it in the rain, I found it in the rainSo much pain, so much pain is coming down
Will you hold me close again, hold me close againSo much pain, so much pain is coming down
Will you hold me close again, hold me close againI cannot understand, I tried so hard to understand
All this love I have for you, forever and a dayAll these words don't mean much, when we turn our backs away
All these thoughts will be crushed if there's nothing left to sayI will not remain silenced by the claim that it hurts
I will fight for love, I will fight for what it once wasSomething beautiful about you, just can't explain
Found it in the rain, found it in the rainSo much pain, so much pain is coming down
Will you hold me close again, hold me close againSo much pain, so much pain is coming down
Will you hold me close again, hold me close againSo much pain, so much pain is coming down
Will you hold me close again, hold me close again
