Beautiful You

Monk & Neagle

All the oceans and the seas know the sound
Of Your beautiful voice
And if You tell them to be calm and be still
They have no other choice

You put the stars in the sky and then You taught them to shine
They know just what to do
Every morning?s a symphony that?s perfectly timed
Thanks to beautiful You

Beautiful You
I can?t imagine life without You
Beautiful You
I can?t imagine being alone
Beautiful You
The only thing I ever wanna do
Beautiful You
Is have You hold me in Your arms
Beautiful You

All the waterfalls know just where to fall
Brilliant every time
When it rains, you are behind it all
With gentle rhythm and rhyme

Mountains high know Your voice
And they are ready to move where You tell them to
With all my heart, I believe that I can do the same
Thanks to beautiful You

Every ocean, every sea
Every morning?s a symphony
Every drop of rain, every waterfall
All the stars in the sky are so beautiful
Every breath I breathe, every beat of my heart
I feel so alive ?cause of who You are
Every day I rise, every time I sing
I?m reminded of Your great love for me
You?re beautiful, so beautiful

Beautiful You
I just want to be around You
Beautiful You
I can?t imagine life without You
Beautiful You
There is nothing that I can?t do
Beautiful You
When I build my life around You
Beautiful You
