

# We Are All the Same

## Bee-Pet

My life is filled with joy and tears  
Just like somebody, ten thousand miles from here  
We stand a half a world apart  
Looking up at the same stars  
We're the fellowship of the  
Unashamed children in our Savior's eyes  
Praying for God's touch  
To guide us through our different lives  
'Cause everybody needs His perfect love  
Just like every flower needs the rain  
Reminding us the whole world over  
We are all the same  
And God is reaching out His hand to us  
As all across the earth, we call His name  
Reminding us the whole world over  
Deep at heart, we are all the same  
Oh, [Incomprehensible]  
His love has opened up our eyes  
Closing the distance between our different lives  
And His grace fills every step we take  
As we walk on in faith  
No matter who or where we are  
He will be our common ground  
Take all the walls we build  
And bring them crashing down  
'Cause everybody needs His perfect love  
Just like every flower needs the rain  
Reminding us the whole world over  
We are all the same  
And God is reaching out His hand to us  
As all across the earth we call His name  
Reminding us the whole world over  
Deep at heart, we are all the same  
So, let us thank him for His love we've come to know  
We know we will never face this world alone, alone  
'Cause everybody needs His perfect love  
Just like every flower needs the rain  
Reminding us the whole world over  
We are all the same

And God is reaching out His hand to us  
As all across the earth we call His name  
Reminding us the whole world over  
Deep at heart, we are all the same, oh, yes we are  
Reminding us the whole world over  
We are all the same
