

# Isabel

## Unrest

Doesn't matter where you're looking  
It doesn't matter who you're painting  
Taking time to watch the walking  
Taking time to take the train off

Isabel  
Isabel  
Isabel  
Isabel  
Isabel

one, four, five  
When I'm walking

In the square, in the subway  
Detroit, home is coming

Isabel  
Isabel  
Isabel  
Isabel  
Isabel

Three, two, five  
When I'm walking

Yes you were a lovely child  
She is a lovely child  
Gone diving in the river  
But your body kept on swimming  
All alone from life's beginning  
Admiration is still swelling

Isabel  
Comes to here  
(let's go)
