Die for You

Red

I know you hate me
I never meant to make you feel this way
I feel so betrayed
I never thought I could feel condemned
I never thought I could feel all your sinOh, I can feel your madness now
Oh, I can feel your fire now
It's what I burn for
It's what I bleed for
I would die for you
You know I'd die for youI feel exposed, I feel disgraced
I feel a whole new kind of hate
Someone please tell me
What I'm supposed to do
'Cause you hate me but I love youOh, I can feel your madness now
Oh, I can feel your fire now
It's what I burn for
It's what I ache for
It's what I bleed for
I would die for you
Oh, I can feel your madness now
Oh, I can feel your fire now
It's why I'm breaking down
I'm coming back around
And now I'm telling you
I would die for youI know you love me
You know I wish I didn't feel this way
I an't gonna changeOh, I can feel you madness now
Oh, I can feel your fire now
It's what I burn for
It's what I ache for
It's what I bleed for
I would die for you
Oh, I can taste your bitter eyes
Oh, I can feel your fire now
It's why I'm breaking down
I'm coming back around
And now I'm telling you
I would die for you
You know I'd die for you
