

I Found You Love

Barbra Streisand

I went looking for a new love
A different kind of true love
Who would treat me right
Day and night Hey baby, I went looking too
And I found out that there
Is no other love for me but you
Just me and you I went looking for a new love
A different kind of true love
Who's gonna treat me right
Day and night Then I found what I was after
Now, my life is filled
With laughter
I found you love I was lost with no direction
And my life was one big question
I was down and out
Filled with doubt Now, I know just
Where I'm going
And my happiness is showing
I found you love I found you love, I found the new love
Wonderful and true
He loves to spend my money
Likes to call me honey I'm gonna please him
Gonna hug and squeeze him
He's gonna love me madly
I'm gonna to love him gladly
We're gonna hold love while we can Do do do
Do do do
Do do do I went looking for a new love
A different kind of true love
Who's gonna treat me right
Every day, every night Then I found what I was after
Now, my life is filled
With laughter
I found you love I found you love, I found the new love
Wonderful and true
He loves to spend my money
And he loves to call me h-h-honey I'm gonna please him
Gonna hug and squeeze him
He's gonna love me madly

I'm gonna love him gladly
We're gonna hold love while we can
We're gonna hold love while we canDo do do
Do do do
Do do doBaby, I went looking for a new love
Different kind of true love
Who's gonna treat me right
Every day and every nightI found what I was after
My life is filled
With laughter
'Cause I found you loveLooking for a true love
Some kind of new love
Who's gonna treat me right
He's gonna give me love every night
Some kind of something
