Please Don't Go

Nayobe

There's something scary about the look that's in your eyes
There's hidden anger in your face
There had been trouble and it comes as no surprise
You say tonight someone has taken someone else's lifeNot much will come from out of anger and revenge
But tell me when we'll
I'm begging you please, I'm on my hands and knees
Don't do something crazy, I'm begging youPlease don't go, please don't go
Don't go there tonight, it just isn't right
You may not come back to me, our future you'll never see
You're throwing my life plans away, please don't goThe only thing we have that we can call our own
Is this sweet love that we share
But if you leave tonight you may not come home
And that's just one thought I can't bearLet's run away from here, to some place far away
'Cause if we stay, our love won't last another day
Don't throw my love aside
'Cause of your foolish pridePlease don't go, please don't go
Don't go there tonight, it just isn't right
You may not come back to me, our future you'll never see
You're throwing my life plans away, please don't goI wanted you to stay but still you went away
Together we can run, now look what they had done
I'll never feel your touch again, I'm left to see this tragic end
You're throwing our love life awayPlease don't go, please don't
Please don't go, I'm begging you
Please don't go, please don't
Please don't go, I'm begging youPlease don't go, please don't
Please don't go, I'm begging you
Please don't go, please don't
Please don't go, I'm begging you
