Lil' Mo

Baltimore City, New York City
You are now rockin' to the sounds of your girl, Lil' Mo
You can't hate on me
'Cause I just wanna chill and take a ride
Shot gun in your 7-45
Oh baby, you know I got your back
And I need to feel you next to me
We got a baby and you know that
I won't have another man around your child
Sometimes I really wanna cry 'cause the love is so good
Boy, if you really love me now, can we walk down the aisle?
'Cause you know I'm gonna hold you down
'Cause when you was down and out, I was still around
You gettin' money now, but I still got love for you
If you fell off tomorrow you could stay at my crib
If you didn't smell so good I still would have your kid
If you got locked up I'd put money on your books
I'd marry you through congical visits and it'd be off the hook
You could still keep the hoopty if you couldn't cop a Benz
Boy, I'd never dip out like some of your friends
If the boys try to get you I'd be by your side
Like Cleo from set it off, yeah, you know I'll ride
If you gotta peel a cap, baby, do it papi
And if a chick wanna a piece of me I know you got me
You have to work at Mciedie's or Burger King
I'd be there for you 'cause I know we gotta eat
I ain't got too many friends, you know that bay
If you use your tongue, baby, I'll behave
You know I don't drink 'cause I wanna have your baby
'Cause I'm your girl and them other chicks is maybe
Boy, if you really love me now, can we walk down the aisle?
'Cause you know I'm gonna hold you down
'Cause when you was down and out, I was still around
You gettin' money now, but I still got love for you
If you only knew how I feel
Boy, you would know that my love is for real
