

Running Wild (feat. The Odditions, Britt Daley)

[Morgan Page](#)

I never did belong, tomorrow I'll be gone
Don't cry, momma, don't cry
I'm burning down this town
So if you see me 'round tonight
Kiss me goodbye By your side is where I wanna be
Young and wild and no apologies
I could die, it feels so good to be
Running wild with you right next to me I'm running wild, I'm getting free
I'm running wild, I'm running, you are next to me
I'm running wild, I'm getting free
I'm running wild, I'm running, you are next to me Put on my favorite song
So we could sing along and drive
Feel so alive
So fast like I could fly
Take off into the sky so high
I close my eyes By your side is where I wanna be
Young and wild and no apologies
I could die, it feels so good to be
Running wild with you right next to me I'm running wild, I'm getting free
I'm running wild, I'm running, you are next to me
I'm running wild, I'm getting free
I'm running wild, I'm running, you are next to me
