

Sunshine Sometime (Earliest Mix) - 2012 Master

[Paul McCartney](#)

Back to where the memory lingers Back to where the sun shines
Wavers are breaking over my fingers Yes, it's

been a long time

Sunshine, sometime

Sometime, sunshine

Home is where the water is waiting For the band that plays in the sunshine
Oh yeah, ooh Yes, it's been a long time

Sunshine, sometime

Sometimes, sunshine Back to where the living is easy I can heed a song in the evening

The stars are shining into the water Yes, it's been a long time

Sunshine, sometime

Sometime, sunshine

Sunshine, Sometime

Sometime, sunshine

Sunshine, sometime

Sometime, sunshine
