

# The Gentle Art of Choking (Cast In Amber)

## My Vitriol

Don't look at me that way  
I know what you're gonna say  
It's on your faceThe scars went up in flames  
While we waited for the rain  
That never cameThey tried to follow you  
Yeah, I always wanted to  
Through black and blue  
But how can I explain  
When you're taking all the blame  
Until the endThey've left you out on your own  
And they've broken all of your bones  
And I'm turning  
And I'm walking awayDon't look at me that way  
I heard what you had to say  
It's not your placeThe feelings are replaced  
And the words have all decayed  
And it's another day  
And it's another day  
And it's another day  
They've left you out on your own  
And they've broken all of your bones  
And they're turning  
And they're walking away  
And they're turning  
And they're walking away
