Hardly Wait

PJ Harvey

I can hardly wait
I can hardly wait
I can hardly wait
I can hardly waitIt's been so long, I've lost my taste
Say angel come, say lick my face
Let fall your dress, I'll play the part
I'll open this mouth wide eat your heartI can hardly wait
I can hardly wait
I can hardly wait
I can hardly waitLips cracked dry, tongue blue burst
Say angel come, say lick my thirst
It's been so long, I've lost my taste
Here Romeo make my water's break
