Sarah, Surrender

Gov't Mule

For so long I've been watching you
Never thought I'd cut through the distance
Woman, I know what you've been through
And I understand your resistanceBut something's different today
I feel you breaking awaySarah, surrender yourself to me
We will always remember the day we broke free
I feel your heart beating faster, I think it's finally time
Sarah, surrender your soul into mine
Oh from the first moment that you looked at me
I couldn't catch my breath
I wanted to be part of your mystery
But it scares me to deathBut something's different today
I feel you breaking awaySarah, surrender yourself to me
We will always remember the day we broke free
I feel your heart beating faster, I think it's finally time
Sarah, surrender your soul into mineOh give me one more time
Aw yeah, ohBut something's different today
I feel you breaking away
Sarah, surrender yourself to me
We will always remember the day we broke free
I feel your heart beating faster, I think it's finally time
Sarah, surrender your soul into mineOh surrender your soul into mine
