

Little Sister

Cheap Trick

Well, I've been around here for way too long
It's really time to go
But there's reasons for my madness
Though it doesn't show I sit and wait and contemplate
What am I gonna say
When the telephone rings I hear her voice
She speaks that special way
Alright now, little sister
Wait all night for the call
She's alright with me She's so hot, she's on fire
Ooh, little sister
Fills me up with desire
Ooh, little sister Sun goes down when she gets up
I don't think I can get enough
Little sister, little sister
Little sister, little sister Something's flowing through my veins
What it is, I don't know
It's a three alarm fire in my heart
Hope it doesn't show Call the doctor, call the judge
Justice of the peace
Pluck this flower in full bloom
This relative's no niece
Alright now, little sister
Wait all night for the call
She's alright with me She's so hot, she's on fire
Ooh, little sister
Fills me up with desire
Ooh, little sister Sun goes down when she gets up
I don't think I can get enough
Little sister, little sister
Little sister, little sister I'm at the crossroads waiting for a call
Back against the wall again
But I'm not just expecting anyone
When I get the call that says it all
She says, "Yeah, Robin, I'll be right over" She's so hot, she's on fire
Ooh, little sister
Fills me up with desire
Ooh, little sister Sun goes down when she gets up
I don't think I can get enough

Little sister, little sister
Little sister, little sister Ooh, I like it when you talk dirty to me
She's so hot, she's on fire
Ooh, little sister
Fills me up with desire
Ooh, little sister Sun goes down when she gets up
I don't think I can get enough
Little sister, little sister
Little sister, little sister She's so hot, she's on fire
Ooh, little sister
Fills me up with desire
Ooh, little sister Sun goes down when she gets up
I don't think I can get enough
Little sister, little sister
Little sister, little sister
