

Runaway Train

Kasey Chambers

I'm gonna take you down
To the railway line
I'm gonna take you down
To the railway line
I'm gonna take ya where your heart
Won't break ya and the water tastes like wine
I'm gonna take you down
To the railway line We won't take money
We won't take the long way 'round
We won't take money
We won't take the long way 'round
We won't take money, we'll live off the honey
When the train goes underground
We won't take money
We won't take the long way 'round I'll drive faster, you'll hold tighter
I'll get wild, you'll get wilder
I'll make thunder, you'll make rain
We'll go down to the runaway train We'll clear that track
We're comin' on down the line
Yeah clear that track
We're comin' on down the line
Hey clear that track
They won't take us back
Well they can stick it where the sun don't shine
Clear that track
We're comin' on down the line I'll drive faster, you'll hold tighter
I'll get wild, you'll get wilder
I'll make thunder, you'll make rain
We'll go down to the runaway train
