Golden

The Vamps

I've been fixed too many times,
Aways feel a little black and white inside,
I'm tired enough, and after a while,
I told myself that I would get it right this time.

When you walk in through the door,
I couldn't want you more,
When you let your hair down, hair down.

So tell what to say,
I wanna play your game,
Here we go again now.

The way you move has got me losing it,
Don't you know that you are golden, golden,
No matter where we go, you keep me on my toes,
Don't you know that you are golden, golden.

Oooooh, ooooh, ooooooh,
oooh, oooooh, oooooh, oooh

So I might just change some tracks,
The disc you made my heart and there's no turning back,
We're close enough, close enough to touch,
I guess you like my sight when I'm not giving up.

You helped me come to one,
Don't do drinking now I'm done,
Now I am on lock down, lock down,
We're playing cat and mouse,
I tried to work you out,
No I don't get you

The way you move has got me losing it,
Don't you know that you are golden, golden,
No matter where we go, you keep me on my toes,
Don't you know that you are golden, golden.

No I don't think you know lovely you are,
Get out of my head oh,

Keep doing what you do,
Cause I'm a fool for you,
Don't you know that you are golden, golden

I don't know what you're running from,
Where you're heading, oh,
Oh I don't know what are running from,
Here you're heading to, oh.

The way you move has, got me losing it,
Don't you know that you are golden, golden,
No matter where we go, you keep me on my toes,
Don't you know that you are golden, golden.

No I don't think you know lovely you are,
Get out of my head oh,
Keep doing what you do,
Cause I'm a fool for you,
Don't you know that you are golden, golden
